

## COOKOUTS RETURN TO HENRY POOR LUMBER

The monthly cookouts hosted by Henry Poor Lumber and Flooring Express returned this summer. “It has been really nice seeing so many familiar faces after not being able to hold these cookouts for over a year,” remarked Jay Andrew. “We enjoy hosting these lunches for everyone in the community.”

These summer/fall cookouts have been a fixture at Henry Poor for several years. They returned in June and are held on the last Friday of each month. There are two more scheduled for Sept. 24 and Oct. 29.

Eddie Joe’s Ice House, Café Literato, and Ripple & Co. have provided the food for the first three cookouts. Each has done a great job.

Along with a great meal those in attendance have a chance to see new products and displays at the Henry Poor showroom. Our Au-

gust cookout was sponsored by Boral and Boise Cascade.

These cookouts are held rain or shine. If the weather is too wet or hot, everything is set up inside. So we encourage everyone to mark their calendars for our upcoming cookouts and stop by and see us.

Guests enjoy great food and company at the Henry Poor/Flooring Express cookouts.

## Riverfest Adapts Event to the Community

This year’s Wabash River Festival took place over a 3-weekend long celebration. It included 2 full days of River Float trips, 3 days of Riverside Charcoal Drawing classes, 7 guided riverside hikes, a rock climbing wall, and two and half weeks of a virtual 5k, educational displays, and a watershed wide scavenger hunt. The feedback was overwhelmingly positive on all the individual events.

Shannon Stanis thanked Henry Poor Lumber for their generous sponsorship of Wabash River Days 2021!

## “We’re All In” to Help Make-A-Wish Families

“I want to thank Henry Poor Lumber for your continued generosity and support of the Make-

A-Wish golf outing. This year we raised \$22k which will help fund several wishes for children in our area and we could not have done it without your help,” remarked Hayes & Son’s Michelle Strohl, the event organizer.

fund raising outing. It was held on July 16 at the Coyote Crossing Golf Course in West Lafayette.

Led by Chuck Mooney the HP/FE foursome started out with an eagle (2 shots below par) and finished with an eagle on their last hole to take 2nd place with a score of 14 under par. Chuck commented, “Any time we can help kids and their families when they have a special need, we are all in.”

The HP/FE Team (L-R) Nick Watkins, Jayson Benner, Chuck Mooney and Kale Morris

## Take Advantage of In Stock Savings

Flooring Express has one of the largest inventories of vinyl plank, carpet, ceramic tile, and other flooring products in the Midwest. This includes name brands like Coretec, Cali Brands, Shaw, and Mohawk.

A large selection of carpet is available.

This large selection of flooring products is on display in our

showroom and available to our customers at discounted prices and with immediate delivery.

Flooring Express is able to offer lower prices because it purchases large quantities of different flooring products at one time. This permits us to pass on the savings to our customers.

Presently we are seeing extended lead times and availability issues on many flooring products. Because of our large inventory our customers will find a wide selection of in stock products that are readily available.

Many, many choices in LVT flooring.

We would encourage anyone looking for new flooring to stop by and see the selection of LVT, carpet and ceramic flooring Flooring Express has available.

## New Faces On the Team

Shannon Bridwell has made the move from warehouse manager to sales associate at Flooring Express. Since joining the FE team a little over four years ago as a warehouse associate, he has taken on different roles and more responsibility. As a member of the sales team, Shannon notes, "I've enjoyed having a chance to interact with our customers and address new challenges each day."

Shannon Bridwell

Tina Young joined Henry Poor Lumber as a kitchen & bath de-

sign specialist on July 12. Previously she had worked with a firm in Monticello where she designed commercial office spaces. Tina commented, "I enjoy taking outdated kitchens and other rooms and turning them into something fabulous."

Tina Young

Brett Nitke started at Henry Poor Lumber as a sales associate in April. He recently relocated from Hilton Head Island, SC, to be closer to family. He worked previously at a building materials company in counter
