

## Henry Poor Lumber Reaches 100 Year Milestone

In 2018 Henry Poor Lumber Company reached a milestone celebrating 100 years in business in Greater Lafayette.

Originally known as Ed Munger Lumber Company when it opened its doors in 1918, it sold lumber, window sashes, doors, blinds and interior finish products from their first location on Ferry Street in Lafayette, IN. It later became Munger and Poor Lumber Co., and eventually **Henry Poor Lumber Co.**

Jim Andrew joined the business in 1972 and in 1983 he purchased Henry Poor Lumber from his close friend and mentor Frank Taylor, Henry Poor's son-in-law.

In 1987 **Home Works** in Eastway Plaza on Sagamore Parkway was opened. In 2001 the floor covering, cabinet and countertop

showroom was moved to a larger location at Market Square.

Construction of the new South River Road and State Street interchange in 1996 forced HPLC to relocate to the corner of Concord Road and Brady Lane. Here they built a new 65,000 sq. ft.

facility with a 15,000 sq. ft. building material showroom.

**Flooring Express** opened in November 2011. With over 30,000 square feet, Flooring Express is Lafayette's largest in-stock floor covering showroom for carpet,

hardwood, ceramic and laminate flooring.

Today the company has expanded to include Henry Poor Lumber, Flooring Express, HP Manufacturing and HP Wood Packaging.

Over the years HPLC and FE have supported many community groups including the YMCA, Junior Achievement, the Cancer Walk, Food Finders, Sigma Chi Fraternity, Purdue and many other organizations.

HPLC's CEO Jim Andrew remarked, "100 years is a long time. I'm very proud that this business has contributed to our community for so many years. I am grateful for our employees, our customers, our many friends in the community, and especially my family for all they have done to make this business a success. We look forward to the next 100 years."

## Kettelhut Construction Selected General Contractor of the Year

The Henry Poor Lumber and Flooring Express team would like to congratulate Kettelhut Construction on being selected **General Contractor of the Year for the State of Indiana** by the Indiana Subcontractors Association.

In today's highly competitive construction industry this is a great accomplishment. Jay Andrew stated, "We congratulate the entire KCI team on this prestigious award and appreciate being part of their team."

# Playing to Knock Cancer Out of the Park

The Henry Poor team stepped up to the plate and took part in a 10 team co-ed softball tournament, “Knocking Cancer Out of the Park,” to raise funds to support a friend of Henry Poor’s Breyanna Turner who was recently diagnosed with APML (Acute Promyelocytic Leukemia).

Each player contributed \$10 and Henry Poor Lumber, along with other businesses, donated water, Gatorade and other items to be sold. The end result was over \$2000 was raised.

Always up for a little competition amongst friends, the HP team surprised themselves by winning two games and finishing as runner up in the tournament.

**Runner Up Team: L-R Jay Andrew, Brook Miller, Eric Miller, Jeremiah Turner, Breyanna Turner, John Poore, Tianna Tillotson, Pamela Wilkins, Phil Wilkins, and Kevin Hensley**

According to Breyanna, everyone had a great time, but they all were a little sore the next day. We’d like to thank all those who took part in the tournament and contributed to its success.

## IBA State President Addresses Howard County Home Builders

Pat Richard, Indiana Builders Association President, was the featured speaker at the Howard County Home Builders meeting held in Kokomo on April 12.

All those in attendance enjoyed hearing President Richard discuss what is happening at the state level. He detailed how IBA is helping promote and continue to establish the work force in the building construction industry through the Build Your Future Program.

HPLC’s Terry Smith helped organize the event that was attended by 102 HBA builders and associate members. Henry Poor

sponsored the meeting along with Leader One Financial.

Jay Andrew spoke on behalf of Henry Poor and Heath VanNatter (Indiana District 38 state representative) also addressed the group on the just concluded State House session.

Overall it was a very successful evening that Henry Poor Lumber was happy to support.

**L-R: Pat Richard (IBA State President), Jim Andrew, Brent Robinson, Kolby Dickover, Jeff Renie, Jay Andrew, Tom Andrew, Keven Hensley and Terry Smith**

## The Next Generation ADURA®MaxAPEX

Flooring Express is now offering Mannington's ADURA®Max APEX, the next generation of ADURA luxury vinyl tile. This new line is stylish and beautifully worry-free. With the latest on-trend styles, contemporary colors, trendy long and wide planks, variable width planks, embossed-in-register detail and painted bevels, your floors will look nothing short of amazing.

ADURA®MaxAPEX takes the waterproof core and sound dampening construction that you've come to expect from ADURA®Max and adds a whole new level of style and sophistication. It also incorporates Mannington's scratch resist technology

that keeps floors looking newer longer with exceptional resistance to everyday household scratches.

ADURA® Floors offer environmental pluses such as superior indoor air quality and easy, chemical-free cleaning.

This innovative product is FloorScore certified and complies to strict indoor air quality standards; won't trap dust, pet dander and other allergens; and most spills clean up with just gentle soap and water.

**ADURA®MaxAPEX is the next generation of exceptional flooring offered by Mannington.**

Highly durable and scratch resistant the latest line of ADURA®Max APEX flooring is backed by Mannington's strong, reliable light commercial and residential use warranties.

### Boral Holds Training, Product Demonstrations for Local Craftsmen and Builders

Henry Poor recently held two seminars featuring Boral's Versetta Stone and TruExterior Siding and Trim. On April 5th local craftsman attended a half day program of product demos, installation best practices and product training. Everyone had a chance to get hands on experience with the different products.

**Hands on demos of Boral products.**

A number of architects and builders gathered on April 19<sup>th</sup> at Teays River Brewery. Presentations to this group highlighted

the design and construction benefits of using the Versetta Stone product for interior and exterior stone accents. We would like to thank Boral for partnering with HPLC on these learning opportunities for our customers .
