

Henry Poor/Flooring Express On Display at Local Events

Henry Poor Lumber and Flooring Express took part in the Home Building & Remodeling Show held on February 9th at the Four Points Sheraton.

This event is sponsored by the Builder Association of Greater Lafayette and always attracts a

big crowd. This year the HP/FE team had on display the latest kitchen and bath designs, multiple flooring options and outdoor living products.

Alicia Clevenger and Sheri Davis, both of Lafayette, were our lucky winners in our

Dine Out On Us drawing for gift cards to The Bryant and Walt's Pub & Grill.

Henry Poor also took part in the C2E Construction Career and Education Expo held on February 28 at Ivy Tech Community College.

The Expo highlighted the many rewarding,

high-skill careers available in the construction industry. Opportunities include job positions in a wide range of fields from architects to welders.

Jay Andrew remarked, "It was nice to see the large number of middle and high school students who we had a chance to speak with. It was a good event."

Diana Michel and Pamela Wilkens host visitors to the HP/FE booth.

100 Years of Adapting

LBM Journal recently highlighted Henry Poor Lumber's 100th Anniversary in their publication by stating, "LBM dealers who have learned to last in this industry have a way of serving a need in their communities and turning that service into sustained business."

The article goes on to discuss how Jim, Jay and Tom Andrew have continued to adapt to their customer's needs. To see the complete story go to ["100 Years of Change"](#).

Timothy's Tools Helping Build Better Lives

Timothy's Tools is a hands on woodworking shop for kids age 8 to 15 years old. It was started by Ron and Penny Herbert, Linda Austin, Bill Reese and Dave Lawson in 2017.

The Herberts began this workshop in memory of their beloved nephew Timothy who passed away at a very young age. Based on their Christian faith their goals are to ensure those participating in their program have the tools to lead a dedicated Christian life.

Henry Poor Lumber became involved when Ron Herbert contacted them about donating any small pieces of 1/2" and 3/4" plywood that they might have. Steve Smith, Henry Poor Packaging's manager commented, "We were happy to help. One man's scrap lumber is another's treas-

ure. We also found out that one of our HPP employees is a volunteer and helps work with the children at Timothy's Tools."

Plans are for each participant to complete a wood burning and construction project. Timothy's Tools has also made a community bench and other small projects as time allows.

Ron Herbert stated, "We can only achieve our goals with the assistance of generous donations and sponsors from members of our community. Without these donations, serving those in our area would not be possible. We cannot thank you enough for your support and prayers."

Children taking part in Timothy's Tools.

Timothy's Tools currently hosts 25 children during each 6 week session. They also provide a small meal and they are always looking for toy donations for the kids.

To learn more about Timothy's Tools contact Ron Herbert at timothystools2017@gmail.com.

80 Stunning Colors On Display at Flooring Express

Flooring Express recently installed Shaw Carpet's most popular carpet display that simplifies the selection of the style and color of carpet you prefer.
