

## Jay Andrew Named BAGL Associate of the Year

At the Builder Association of Greater Lafayette's annual meeting held on November 15, Henry Poor Lumber President Jay Andrew was presented with the 2022 Associate Member of the Year Award by BAGL President Ryan Kennedy.

This award according to Mary Ellis, BAGL's Executive Director, is the highest honor presented to an associate member who goes above and beyond to support the BAGL mission of safe and affordable housing for our community.

Year after year Jay steps up by donating his time and talent to help BAGL and the housing industry build a strong foundation.

Jay is part of the management team having served on the Board of Directors since 2005. HP/FE sponsors every major event like

the popular Parade of Homes and Home Building and Remodeling Show. He is very active in BAGL's workforce development efforts. Jay helped design and launch BAGL's "Build Your Future" and C2E Construction Expo. He participates and donates to the Greater Lafayette Career

Academy construction trades classes for their semester long design-build playhouse projects and serves on their curriculum advisory team.

When asked about the award, Jay remarked, "This is a nice honor. Over the years I have become

## Sharing the Heart of Henry Poor & Flooring Express

Over the course of the summer and early fall, Henry Poor Lumber and Flooring Express hosted monthly Customer Appreciation lunches where they doled out around 800 meals.

Each cookout was catered by a different food vendor, all of which did a tremendous job. They included Eddie Joes, Café Literato, Senor Tacos, Outpost, and the grand finale included food trucks from L Kora, Guac

Box, EMT, Crabby Mikes and Mary Lou Donuts.

According to Sadie McKinley, HP's HR Director, the goal of the cookouts is to show our customers and employees how much we appreciate their hard work and business. At the same time, we also want to create more networking opportunities for those who attend as well as support local businesses.

Sadie commented, "It was nice to have some of our guests and team members bring some of their family with them. It was great seeing a few chil-

dren and spouses enjoying themselves."

Sadie further noted, "It's no secret that we love food here at Henry Poor and Flooring Express. Cesar Chavez said, "If you really want to make a friend, go to someone's house and eat with him...the people who give you their food, give you their heart." That is all we are doing, sharing the heart of Henry Poor and Flooring Express."

## Supporting Our Community and Country

### And the Winners Are ...

Each year when the weather starts to turn chilly Henry Poor holds its Chili cookoff. This year the winners (see above) were Kevin Hensley (1st) and Pamela Hall took second place. We want to thank all who participated for a lot of tasty choices.

### New Truck Honors Vets

When we needed a new delivery truck we decided to give it a patriotic look to show our support for our country, our veterans, and those currently serving.

Our new red, white and blue delivery truck.

### Supporting Local Cancer Network

Our Henry Poor and Flooring Express team took an active part in the recent Community Cancer Network "Carry the Torch" walk and the Festival of Trees Gala where Jim Andrew spoke. These events provide resources to those in our community who are fighting cancer.
