Henry Poor, Flooring Express Celebrate Arbor Day

The Lafayette community celebrated Arbor Day 2023 by holding a tree planting event on April 29th. Volunteers from the local area gathered to plant 58 trees along Park Avenue in Lafayette. Trees have many benefits for the neighborhood, the community and the environment. Since 1993 Tree Lafayette has planted more than 4,000 trees in the Greater Lafayette area.

In May 2022 Lafayette received the Tree City of the World Award. This award recognizes cities and towns internationally that are committed to keeping their trees sustainably managed and properly maintained. To date Lafayette is one of only three cities in Indiana, and one of only 138 throughout the world that have attained this recognition.

Henry Poor Lumber and Flooring Express were proud to be one of the many local companies, organizations and individuals who donated to make this event possible.

Helping Local Cancer Patients

Henry Poor Lumber and Flooring Express have supported the Community Cancer Network for several years.

This organization provides support to local cancer patients and their families by providing services that alleviate some of the extra challenges and expenses they incur.

This year there were two events to raise funds for CCN. Their annual CCN Cancer Walk that took place at Loeb Stadium, and the SB Memorial golf outing. Both events were very successful as the Greater Lafayette community continues to support this worthy cause.

Jeremy, Josh, Brett, and Adam playing golf for a good cause.

Tools For School

The Salvation Army in Lafayette is once again holding the annual **TOOLS for SCHOOL** program.

Through the generosity of the program's sponsors and the community,

Tools for Schools has helped provide thousands of items for thousands of students over the past few years.

The need this year is just as great. We would encourage anyone to drop off various school supplies at Henry Poor Lumber on Brady Lane between July 3 to July 20.

Support Our Local Troops

The National Guard 1638 Transportation Unit will be conducting its two-week summer training in July. To support this National Guard unit, Henry Poor Lumber and Flooring Express will be putting together Care Packages for the troops while they are away.

Please join us in this effort by donating items that can be added to these Care Packages. We are accepting donations for the entire month of June. Items can be dropped off at Henry Poor Lumber or Flooring Express.

Some suggested items include soap/body wash; shampoo/conditioner; white and black socks; chap stick; feminine hygiene products; playing cards; gum; snacks (non perishable);

hand lotion and foot powder; sunscreen; disinfectant wipes; Kleenex; peanut butter and oatmeal packets. For a more comprehensive list go to [Supporting Our Local Troops](#).

New Sign and American Flag Raised

Over the past few months a couple of new and impressive additions have been made at Henry Poor Lumber on Brady Lane.

New 60' flag pole and American flag.

The first is that we erected a new 60 foot flagpole to replace our smaller, earlier version. The flag is 12' x 18' and can be seen off Concorde Road and Brady Lane.

The new flag and flag pole display our patriotic spirit and appreciation of our country's flag and the opportunity it represents.

New highly versatile digital design display at HPLC.

Our second addition has been our new large digital messaging board in the front of Henry Poor Lumber.

This highly visible digital display allows us to cycle through 7 to 8 messages at any one time. It is easy, and much quicker, to make changes and updates. Keep an eye on this display to learn what's new at HPLC.
