The logistics team has the people and resources to respond quickly to last-minute requests and emergencies. Our hard-working drivers utilize our fleet of box trucks, boom trucks, flatbeds, semis and Moffett trucks to get the customer’s products to where they are needed on the job site. They even pick up extra materials following the completion of a job.

At the end of the day our goal is to “deliver” the results our customers expect.

## Customer Appreciation Lunches Are Back

The first of the 2025 Henry Poor Lumber – Flooring Express customer appreciation lunches took place on June 27<sup>th</sup>. With the high heat index and the threat of thunderstorms, the cookout seating and serving line were moved into the Henry Poor showroom. Christos did a stellar job of offering pork tenderloin and chicken sandwiches for all the guests.

A camp chair and cooler were raffled off at the luncheon and the proceeds will go to the Women’s Habitat for Humanity

building project.

Taylor Roller, who coordinated the lunch, noted, “It was nice to see all our familiar customers return again this year. We look forward to everyone stopping by each month.” The luncheons are scheduled for the last Friday of each month through October. Each meal is catered by a different local business providing a wide variety of menu items.

## Hardest Working Player

The local Lafayette Aviators baseball team is supported by its many fans in our community. One of those is Henry Poor Lumber who sponsors the Hardest Working Player of the Game award at every home game this summer.

At different times this season HP/FE team members, along with their families, have had the opportunity to have their

picture taken with the Aviator player chosen as that games Hardest Working Player. One of those was Nicole Reece, who attended the season opener. Nicole remarked, "I enjoy going to the Aviators games and taking part in all the activities at the ball park."
